**REQUEST FOR REFUND**

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Applicants respectfully request a refund in the amount of \$388.00 that was charged to our Deposit Account No. 19-0089 on April 19, 2002 in connection with the submission of the literal English translation of the International Application on March 19, 2002.

The basis of this Request for Refund is that the account was charged \$280.00 for multiple dependent claims and \$108.00 for claims in excess of twenty. In this regard, Applicants note that, while the literal English Translation of the International Application indicated 22 total claims and multiple dependent claims, the translation was concurrently filed with a preliminary amendment requesting entry of the modified pages submitted during the International Preliminary Examination, which includes claims 1-16 which replaced the original submitted claims and amending the multiply depended claims, i.e., 4-5 and 8-16, so that each depends from a single claim. Accordingly, upon

entry of the then concurrently submitted Preliminary Amendment the total number of pending claims was sixteen (16) and no multiply dependent claims were present. For the convenience of the Patent Office, Applicants enclose a copy of our mailroom date-stamped filing receipt evidencing the filing of the same.

Please make payment of the refund in the amount of \$388.50 to Deposit Account No. 19-0089.

Should there be any questions, the Examiner is invited to contact the undersigned at the below listed number.

Respectfully submitted,  
Matthias FRYDA et al.
